

# COMMON CORE DIAGNOSTIC TEST

## Reading

Read and answer the following questions from the text

Hadj Ali has got a single tall and beautiful daughter. Her name is Salwa and she is one of my teachers. She teaches us French. She usually goes to work on foot because their house is not far from school. She always carries her nice bag. Her students love her very much and she also adores **them** because they are hard-working and kind. A student of hers even considers her as a mother of his. I like her, too because she is kind, helpful and patient.
