	Quiz N°: _____	Date:/...../20.....
	Duration: 30 min	Units: 8–9
	Class: _____	Student: _____ N°

Hamid is an artisan who has spent his whole life weaving traditional Amazigh carpets. He worries that if young people don't learn this craft, it will die out completely within a generation. Last year, he joined a group of activists who raise awareness about protecting Morocco's cultural heritage. They organized workshops and asked local students to sign a petition supporting traditional crafts. Hamid believes that if the government gave more support to artisans, many traditions would survive for future generations.

Reading Comprehension (20 pts)
