Hi! My name is Nadia. I am 14 years old and I am Moroccan. Every morning, I go to school at 8 o'clock. My favourite subject is Art, but I don't like Math very much. My mother works at a local school, and she teaches Math there. After school, I usually go shopping with my mother on Saturdays — I love buying new clothes! For dinner, my family always has bread, tagine, and a lot of vegetables. I have two brothers and one sister.
